

M12 BHCS 3L | M 12 HANDHELD SPRAYERS 3L

M12 BHCS 7L | M 12 HANDHELD SPRAYERS 7L

- Instant, constant and adjustable pressure for superior control
- No manual pumping to reduce user fatigue
- Increased performance delivers up to 303 Liters of spraying per charge (with M12™ 2.0 Battery)
- Higher Spray distance and max pressure deliver up to 5.2 meters of vertical spray distance and pressure up to 5.52 Bar (80 PSI)
- Professional demanded feature set with Onboard measuring cup, Compact vertical storage position, One and two-handed use for added versatility

Battery System	M 12
Pressure Settings	3
Pressure Control	Instant, Constant, Adjustable
Pressure (Bar)	1.38 / 2.76 / 5.52 BAR (20 / 40 / 80 PSI)
Max Flow Rate (L/min)	0.4 / 0.8 / 1.2
Vertical Spray Distance (Meters)	5.2
Tank Capacity (Liters)	3.7 and 7.6
One Handed Use	Yes – With Optimized Ergonomics
Lock Off	Yes
Runtime (Liters./charge)	303 Liters (w/ M12 2.0 Battery)
Dry Weight (kg)	2.8 and 3.1
